Thanks Brandon for reaching out.

We do have some availability next week, if that works for your clients. Monday afternoon 1-5; Tuesday 11-12; 1-2; or 3-4; Wednesday 10-1 or 4-5; or Thursday 10-12. We also have some availability on December 23, 24, or 26.

Regarding Daily Beast, we understood that they used Taboola or Outbrain but it appears, looking at their website, that they do not. If they do not use either of those companies then we do not need to talk with them about the Taboola/Outbrain potential merger.

As for Vimeo, we would very much like to speak with them about the video and video ad space, as it relates to our investigation of Google.

Best,

Richard

Subject: IAC Meetings

Hi Richard,

I'm a colleague of Jonathan Kanter, and we represent IAC. I tried calling but was unable to get through.

I am reaching out to see if we can set up two conference calls with two of IAC's businesses: Daily Beast and Vimeo. I know that your team must be extremely busy during this time of year, but please let me know if your team has any windows of availability.

Thanks,

Brandon
